

# KAILO SKIN

## HERO-14

Kye Jackson

The Lid features the KAILO 'K' indented into the outer gold band

Airless pump technology is used to cleanly get the HERO-14 product out of the vessel.

1. Remove

2. Twist

3. Remove

## Refill Tub

1. Simply remove the lid of the vessel.
2. Twist off the airless pump mechanism, exposing the refillable tub.
3. Pull out the empty HERO-14 tub, and replace.

- Once the new tub clicks into place, simply twist the airless mechanism back onto the glass vessel!
